

2018 Ambulatory Surgical Center (ASC) National Medicare Average Payment for Application and Use of OASIS Wound Matrix and OASIS Ultra Tri-Layer Matrix

Medicare does not separately reimburse ASCs for most skin substitute products, including OASIS Matrix products. The Medicare Ambulatory Surgical Center (ASC) payment rates for the application of OASIS Matrix products are effective January 1, 2018 through December 31, 2018. The Ambulatory Surgery Center should report both the application code and applicable OASIS products' HCPCS codes when submitting claims.

Medicare ASC Packaged Payment Rates* for OASIS Matrix Products, when covered by the Medicare Administrative Contractor

	Total 2018 National Avg. ASC total allowable	2018 National Avg 80% allowable**	2018 Medicare 20% Coinsurance
Code	Application to wound surface area less than 100sq cm		
C5271	\$254.35	\$203.48	\$50.87
+C5272	Packaged	Packaged	Packaged
C5275	\$254.35	\$203.48	\$50.87
+C5276	Packaged	Packaged	Packaged
Code	Application to wound surface area equal to or greater than 100sq cm		
C5273	\$817.54	\$653.43	\$163.45
+C5274	Packaged	Packaged	Packaged
C5277	\$254.35	\$203.48	\$50.87
+C5278	Packaged	Packaged	Packaged

*Payments are nationally unadjusted average amounts, and do not account for differences in payment due to geographic variation.

**These rates do not account for the impact of sequester.
